

## Promotional Materials & Recommendations for Vendors

As a vendor in the 2025 Anchorage Home Show, AHBA encourages you to promote your booth across your social media and regular advertising. We have pulled together some resources to help make it easier than ever for you to share information about your booth and the Home Show in general. Please feel free to utilize the materials we have developed or customize your own. If you have any questions, please reach out!

AHBA is committed to having a great show, we are investing \$40,000+ into marketing and advertising for the Home Show, through traditional advertising and digital ads. But the more outreach you do the more likely you are to get strong healthy leads from show attendees.

Here are a few ways you can help amplify awareness of the Anchorage Home Show:

1. Create your own graphics and materials using the Home Show and Alaska Airlines Center Logos.
